

Care-to-Share Support Network, Inc.

A non-profit organization, providing comprehensive support services for families of children with special needs.

- ♥ **We help families create and realize the fulfilling experiences they want and deserve by offering programs and funding for programs and services that they could not attain on their own**
- ♥ **We empower families by providing information, resources and a communication network where they can connect and share their experiences.**
- ♥ **We collaborate with other entities to create enriching opportunities for families, educators, and therapists.**

Together we will realize the possibilities for the children we love and support.
